

**THE A.G.M. OF I.S.L.T.A. WILL BE HELD ON 12<sup>TH</sup> APRIL 2010 AT 8.00PM AT THE ROCKDALE TENNIS CLUB.**

The following motions will be presented:

**MOTION 1 Tuesday & Thursday Ladies Competition**

That the scoring re item 12 of the Competition rules be amended to the same rules that apply to Saturday Afternoon Competition rules Item 12 – that matches are to be decided by sets, but in the event of sets being equal, by games. Each match will be allotted 12 points. 4 points to the winning team or 2 points each for a drawn or unfinished match . In addition 1 point is allotted to the winner of each completed set. Half a point is allotted to each team for any sets unfinished or not played.

Wet Matches: where 50% or more of the matches have not reached a result due to wet weather, then these unplayed or unfinished matches be set down for play a the completion of the rounds.

This would mean that there would no longer be any unfinished matches & only certain wet matches be played.

Proposed Jan Barley

Seconded Jackie Allman

**MOTION 2 Tuesday & Thursday Ladies Competition**

In semi-finals, finals or Challenge finals

If the match ends in a draw (equal on games & sets) the following shall be played

- A “super” tie breaker will be played (first to 10 points with a 2 point advantage)  
*Normal tiebreaker rules will apply*
- Either pair may play the set with the home team to nominate first  
*This set must commence immediately*
- If time does not permit this to be played on the day then play to commence at 9.30 the following week with the winner to play any ensuing match at the completion of this tie breaker,

Reasons: For teams that do not make semis or finals in some grades the break is far too Long. Last comp A1 did not play for 3 ½ months (this did include Christmas breaks). People lose interest and find other things to do.

Proposed...D Park.....

Seconded J Barley.....

**MOTION 3 Thursday Ladies Competition**

- a) During the regular competition wet weather games should not be replayed rather a draw declared and both teams awarded 1 competition point. **Exception:** If a match is commenced & then unfinished due to rain & a result has been reached that team should be awarded the win & the two competition points the match need only be completed if games are required to determine top four.

Moved Paula Noakes

Seconded Jenny Hoffman

- b) There should be no challenge awarded to the team placed first at the end of the regular competition. The reward for coming first is to play the team coming fourth.

Moved Paula Noakes

Seconded Jenny Hoffman

- c) If after 8 sets are played in any semi or final the result is a draw, a tiebreaker should be played immediately with the four players on the court at the completion of the eighth set. **Exception:** If the court is now unavailable due to time i.e. after 4pm & extension of play not possible highest on the table goes through or is declared champion.

Moved Paula Noakes

Seconded Jenny Hoffman

- d) In the event of a washout in a semi/final the team highest on the table goes through or is declared champion.

Moved Paula Noakes

Seconded Jenny Hoffman

#### **MOTION TO CHANGE ARTICLE NO. 5 (g)**

To change the number of members required from ten (10) to eight (8) to constitute a quorum

Proposed: E Ferry

Seconded M Thompson
